

Diamond drill, also called concrete drill is a new type of tool which can drill on RC, brick and stone, rock, china and fireproof materials. It is hold such characteristics as working without dust, high efficiency, smooth wall of hole and accurate size. It is available in many fields of construction, quality-checking, airfield runway, tunnel of road, railroad and railroad bridge.

**Item no: TT110B**

Name: Portable & vertical drill

Drilling range: Ø15-110mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 1500W

No-load speed: 0-1700r/min

**Item no: TT110E**

Name: Portable velocity-adjustable drill

Drilling range: Ø15-110mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 1480W

No-load speed: 0-1700r/min

**Item no: TT132**

Name: Classical diamond drill

Drilling range: Ø15-132mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 1980W

No-load speed: 980r/min

**Item no: TT132E**

Name: Stepless velocity-adjustable classical diamond drill

Drilling range: Ø15-132mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 1980W

No-load speed: 980r/min

**Item no: TT165**

Name: Classical diamond drill

Drilling range: Ø15-165mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 3300W

No-load speed: 850r/min

**Item no: TT165E**

Name: Stepless velocity-adjustable classical diamond drill

Drilling range: Ø15-165mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 3300W

No-load speed: 850r/min

**Item no: TT180**

Name: Classical diamond drill

Drilling range: Ø15-180mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 3700W

No-load speed: 750r/min

**Item no: TT180E**

Name: Stepless velocity-adjustable classical diamond drill

Drilling range: Ø15-180mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 3700W

No-load speed: 750r/min

**Item no: TT205**

Name: Classical diamond drill

Drilling range: Ø15-205mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 3900W

No-load speed: 700r/min

**Item no: TT205A**

Name: Universal rod classical diamond drill

Drilling range: Ø15-205mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 3900W

No-load speed: 700r/min

**Item no: TT205E**

Name: Stepless velocity-adjustable classical diamond drill

Drilling range: Ø15-205mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 3900W

No-load speed: 700r/min

**Item no: TT230**

Name: Classical diamond drill

Drilling range: Ø15-230mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 4080W

No-load speed: 600r/min

**Item no: TT230E**

Name: Stepless velocity-adjustable classical diamond drill

Drilling range: Ø15-230mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 4080W

No-load speed: 600r/min

**Item no: TT255**

Name: Classical diamond drill

Drilling range: Ø15-255mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 4250W

No-load speed: 580r/min

**Item no: TT255A**

Name: Universal rod classical diamond drill

Drilling range: Ø15-255mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 4250W

No-load speed: 580r/min

**Item no: TT255E**

Name: Stepless velocity-adjustable classical diamond drill

Drilling range: Ø15-255mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 4250W

No-load speed: 580r/min

**Item no.: TT305**

Name: Classical diamond drill

Drilling range: Ø15-305mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 4550W

No-load speed:380r/min

**Item no.: TT305CE**

Name: Stepless & gear velocity-adjustable classical diamond drill

Drilling range: Ø15-305mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 4550W

No-load speed: 0-760r/min

**Item no.: TT355**

Name: Classical diamond drill

Drilling range: Ø15-355mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 4780W

No-load speed: 300r/min

**Item no.: TT355CE**

Name: Stepless & gear velocity-adjustable classical diamond drill

Drilling range: Ø15-355mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 4780W

No-load speed: 0-600r/min

Item no.: TT355B

Name: Professional deep diamond drill machine

Drilling range: Ø15-355mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 4780W

No-load speed: 0-600r/min

Item no.: TT405B

Name: Professional deep diamond drill machine

Drilling range: Ø15-405mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 4780W

No-load speed: 0-600r/min

Item no.: TT405BCE

Name: Multi-functional and velocity-adjustable diamond drill

Drilling range: Ø15-405mm

Rated voltage: 220V-

Rated frequency: 50-60Hz

Input power: 4980W

No-load speed: 0-550r/min
